“

I think Travelux has been the highlight of the Luxury Travel Events, throughout the last 10 years of my career.

The quality of buyers is what makes the event successful, here at Travelux you can always meet somebody you have not met before.

“

The experience at Travelux was just wonderful, and I have to tell you how impressed I was with both the level of luxury suppliers as well as buyers attending.

Such an honor to have been given the opportunity to experience it.
